

EXPLANATION: Accessing the evaluation and continuing education certificate(s) is different for those watching in a group. Archived recordings are available only after having the component loaded to a user's Dashboard. This feature is available to HCN members only. Other education events are sold by and managed by individual paid registrant.

When participating in a webinar in a group, only the person logged in and launching the webinar can get an evaluation and a certificate issued in their name. Other participants can log into their own education portal account and complete the evaluation and print certificate(s) in their name. Archived webinar links and handouts are not available using this option. To have the archived recording loaded to a user's Dashboard, please call (866) 969-7124 or email info@weatherbeeresources.com. The group evaluation includes a participation attestation statement. Evaluations are open for 45 days after conclusion of the live webinar.

1. To access the Evaluation and Certificates, click on Education Events

2. Scroll to bottom and Click on Register (Free!) ... there is no charge for continuing education for HCN members who join monthly webinars!
